

WELCOME TO THE INTERLAKEN INN

The Interlaken Inn is happy to be able to have you as a guest as well as your special canine or feline friend. We hope both of you will enjoy the time with us and make full use of our lovely facility.

Keep in mind that other Guests will occupy the Guest room after your departure.

Please allow us to continue to offer pet accommodations in the future by following these guidelines:

1. A \$15 surcharge per pet, per night will be added to your room rate.
2. A \$100 fee will be assessed should the need arise for special room cleaning such as shampooing, deodorizing, flea treatment, etc. Damages of any sort caused by your pet will be charged for repair or replacement of damaged item(s).
3. Pets are **never** permitted to sleep on any Guest bed. If extra laundering is necessary, the additional fee of \$100 will be applied to your folio.
4. Pets are not allowed in the restaurant area. Guide dogs are the only exception.
5. Connecticut leash law states that **all** pets must be leashed at **all** times while outdoors. Please use non-public areas when Mother Nature calls.
6. If an unruly pet forces the hotel to make financial adjustments in another guest's bill due to excessive noise, you will be responsible for the amount of those adjustments. We will do our best to contact you to let you know that another guest has complained so that appropriate action may be taken on your behalf.
7. You brought your pet on vacation with you to be with him/her – **NEVER** leave your pet unattended in the room. Should you leave your pet unattended in your room and disturbances disrupt adjacent rooms, Management has the right to remove the pet until your return. This may involve nearby kennel boarding charges to which you will be responsible for.

Some great places to walk your pet on property are:

- Next to the Sunnyside building
- Behind the second set of townhouses
- Down to the lakefront

You have chosen to bring your special friend with you to the Interlaken and we feel that the concern that you show for your pet should also be shown to the Guests around you.

Enjoy your stay!

AGAIN, PETS ARE NEVER PERMITTED TO SLEEP ON ANY GUEST BED! IF DRY CLEANING IS NECESSARY, THE CHARGE WILL BE PASSED ON TO YOU.
