

Interlaken Inn Pet Waiver

Keep in mind that other guests will occupy the Guest room after your departure. Please allow us to continue to offer pet accommodations in the future by following these guidelines:

1. A \$25 surcharge per pet, per night plus tax will be added to your room rate.
2. Pets can enjoy the luxury beds provided in your room. **Please do not allow pets to sleep on any Guest bed.** If extra laundry is necessary, the additional fee of \$100 will be applied to your folio.
3. An additional \$100 fee will be assessed should the need arise for special room cleaning such as shampooing, deodorizing, flea treatment, etc. Damages of any sort caused by your pet will be charged for repair or replacement of damaged items.
4. Pets are not allowed in the restaurant area. Guide dogs are the only exception.
5. Connecticut leash law states that **all** pets must be on leashes at **all** times while outdoors. Please do not use non-public areas when Mother Nature calls.
6. If an unruly pet forces the Hotel to make financial adjustments to another Guest's bill due to excessive noise, you will be responsible for the amount of the adjustments. We will do our best to contact you to let you know that another guest has complained so that appropriate action may be taken on your behalf.
7. You brought your pet on vacation with you to be with him/her- **NEVER leave your pet unattended in your room.** Should you leave your pet unattended and disturbances disrupt adjacent rooms, Management has the right to remove the pet until you return. This may involve nearby kennel boarding charges to which you will be responsible for.

You have chosen to bring your special friend with you to the Interlaken and we feel that the concern that you show your pet should also be shown to the Guests around you.

Enjoy your stay!

**AGAIN, PETS ARE NEVER PERMITTED TO SLEEP ON ANY GUEST BED!
IF DRY CLEANING IS NECESSARY, THE CHARGE WILL BE PASSED ON TO YOU.**
